CONNECTICUT COUNCIL OF SMALL TOWNS

The Connecticut Council of Small Towns was founded in the belief that local government leaders from these smaller communities – and their residents – needed a strong voice within the legislative and regulatory decision-making arenas, both in Hartford and in Washington, D.C. Since its establishment over 30 years ago, COST has provided that voice.

◆
“COST is unique at the State Capital in that it focuses on the issues that are vital to suburban and rural towns throughout the State of Connecticut.”
